johnbryonmeyer.com

Economist specializing in policy analysis and experimental methods for the social sciences.
Interested in the intersection of institutions, intellectual property and emerging technologies.
Currently researching how patent disclosure norms shape innovation incentives and litigation risk.

RESEARCH EXPERIENCE

London Business School Department of Economics <i>Post-Graduate Research Assistant for Dr. Etienne Le Rossignol</i>	Winter 2023 - Summer 2024 London, UK
- Designed automated data pipelines using OCR, web scraping, and GIS to collect and map cross-country development data. - Conduct preliminary analyses on institutional interventions and persistence in welfare and development outcomes.	
London School of Economics Department of Economic History <i>Post-Graduate Research Assistant for Dr. Jason Lennard and Ryland Thomas</i>	Fall 2023 - Winter 2024 London, UK
- Constructed archival datasets on interwar monetary policy, verifying accuracy in investment and spending estimates. - Processed documents using OCR and manual transcription to produce reliable datasets to support macroeconomic analysis.	
S&P Global <i>Market Research Contributor</i>	Spring 2023 - Fall 2023 London, UK
- Authored research reports evaluating export controls, investment, and strategic risk for multinational tech firms. - Assessed implications for cross-border capital allocation, technology transfer, and competitive positioning in semiconductors.	
Temple University Department of Economics <i>Post-Graduate Researcher with Dr. Rhiannon Jerch</i>	Spring 2022 - Spring 2023 Philadelphia, PA
- Evaluated the long-term economic and environmental impacts of New Deal public works and infrastructure investment. - Collected archival records from the U.S. National Archives; assembled and quality-checked county-level data for policy analysis.
